

ACCESS Your FREE Student Membership BENEFITS

It's an excellent time to be a PCI member because membership gives you **ACCESS** to a myriad of tools and benefits to grow your career. The following is a snapshot of the many benefits of a **FREE** PCI student membership:

Networking ACCESS

- Opportunities to participate in PCI member committees and councils (80+) and to have an influential voice in key industry initiatives
- Access to the PCI member company directory
- Updates from PCI and chances to connect with others interested in the precast/prestressed concrete industry through PCI's [Facebook](#), [Twitter](#), [LinkedIn](#), [Youtube](#), and [Instagram](#)
- Invitations to PCI events where you can network with future employers

Discount ACCESS

- Member discounts on PCI Webinar registrations
- **FREE** registration to PCI Committee Days and PCI Convention (a **\$1400 value**)
- Up to a 50% discount off qualifying bookstore purchases
- **FREE** electronic versions of our award-winning periodicals, [PCI Journal](#), [Aspire](#), and [Ascent](#), which provide the latest information on research, design, construction, and industry developments
- **FREE** swag bag (includes a PCI Foundation hard hat, design literature, and other surprises) from the PCI Foundation—available to students who sign up for membership [online](#)

Education ACCESS

- Access to PCI technical support including code changes and R&D
- [PCI e-learning](#) center with free classes to help you stay up to date on the latest changes in our industry
- Reduced registration fees for educational seminars, including many that offer learning credits (LU), professional development hours (PDH), continuing education units (CEUs), or AIA credits
- Ability to enter student-only competitions such as the [Big Beam Competition](#), [Jenny Fellowship](#), and [Project Precast](#)
