### **Gate Precast Company Taps New TX VP of Operations, HR Coordinator**

*Mike Ryan has been appointed vice president of operations at the Hillsboro, Texas, plant, and Vanessa Ramirez is the company's new human resource coordinator.*

JACKSONVILLE, FL, July, 2020 – Gate Precast Co. has appointed Mike Ryan as the new vice president of operations at its Hillsboro, Texas, plant, and Vanessa Ramirez as the new corporate human resource coordinator.

In his new role, Mike oversees Hillsboro's expansive architectural and structural precast operations. Previously employed at Clark Pacific in California, Mike is an architectural and registered civil engineer with more than 30 years of experience in all aspects of exterior envelope design, manufacturing and installation.

During his career, he has served as a field engineer, senior project manager, civil engineer, chief estimator, director of architectural systems, and director of product development and market strategy.

As human resource coordinator, Vanessa will also continue to serve as human resources/payroll manager in Kissimmee, Fla., as well as Gate's Spanish liaison. She will explore ways to improve human resource policies, processes and practices. She will also coordinate and facilitate her efforts with human resource directors at each plant.

"We welcome Mike to the team and congratulate Vanessa in her new role," says Dean Gwin, Gate's president and COO. "Vanessa will help ensure we have a true understanding of our needs and that all team members enjoy the benefits that Gate has to offer. We expect Mike will take us to the next level with our line of GateLite Façade Systems, which are equipped with features such as glazing, insulation, fire-stop, caulk etc."
